# Echo Welcomes New Staff

A big Cougar Welcome to our new teaching staff members.

Mrs. Stacy Cooley will be teaching music to grades K-5. She will also be teaching Choir as an elective course for junior high and high school students. Mrs. Cooley is from Hermiston and we are excited to have music back in the classroom.

Mrs. Amy Umbarger will be teaching upper level Science (Biology and Physics). Mrs. Umbarger is not new to the district as she has been working for the last few years with the elementary staff helping to implement

the Technology Grant. She will be replacing Mr. Delong who retired.

The new junior high and freshman Science Teacher is Ms. Nicole Snyder. Ms. Snyder comes to Echo from Spokane. She enjoys teaching science and working with middle school age students. She will be a great addition to our teaching staff. Ms. Snyder will also be teaching two basic math courses.

Mr. Trevor Pike will be the new language arts (communications) teacher for the high school. He will also be teaching a publications class which is responsible for publishing the school's year-

book and monthly newsletter. Mr. Pike comes from Gresham.

Although not new to the teaching staff, Mrs. Janice Scott will be taking on new duties as the Home Economics Teacher. She will continue to teach junior high art and Title One Math.

Be sure to welcome these new staff members to Echo. By working together, (new staff and students, veteran staff and students), we can help Echo Schools continue on its journey from Good to **GREAT!**

## Fall Sports Practice and Physicals

High School Volleyball and Football will both be holding conditioning camp August 13th–17th. Conditioning camp will be held in the gym starting at 6 pm for volleyball players and on the field at 6 pm for football players. Both sports have scheduled Mid-night Madness which will be

the first practice of the season at 12:01 AM on Monday, August 20th.

*Fall Sports Schedules are available at the office & on the school's website:*
